This is in response to the Office Action dated October 1, 2003, Paper Number 30926.

Restriction to one of the following Groups was required under 35 USC §121:

Applicants traverse the restriction requirement based on the following grounds. It is respectfully submitted that the restriction requirement practice was established to promote efficiency of prosecution in the Patent Office. Both groups of claims relate to methods of preparing a surface. Hence, it is
